We reserve the right to limit on-site registration and cancel or reschedule a program in the event of insufficient enrollment or unforeseen circumstance (i.e. weather, speaker cancellation due to illness, etc.) in which case the program will be rescheduled, or a refund will be issued at the direction of the Office of Continuous Education.

Inclement Weather Information

Participant will be notified by phone and by email concerning delays or cancellation of program due to inclement weather. Please view our website for updates. You may call (848) 445-6823 or visit our website for program information related to extreme weather conditions or contact the hotel or meeting place (telephone number on the top of the program page).

Statements of Credit

Upon participant completing all program requirements, i.e. attendance during entire scheduled program and completion of all ACPE required forms, participants data will be sent electronically from the provider to ACPE, then to NABP for recording into the matching e-Profile. Participant can view their credits at <http://nabp.net>

New Jersey Biennial Pharmacy License Renewal Requirements

Minimum of 30 credits of which at least 10 must be obtained through didactic instruction (in-person, telephone, or electronic instruction; but does not include video-taped instruction) and 3 credits shall be obtained in pharmacy law applicable to pharmacy practice in New Jersey.

Beginning with the 2019 biennial renewal, pharmacists must complete one credit of CE programs or topics concerning prescription opioid drugs.

Ten credits of continuing education may be carried over into succeeding biennial period only if such credits were earned during the last six months of the preceding biennial period and were not previously reported.
