ABOUT US

Cooperman Barnabas Medical Center (CBMC) in Livingston NJ is part of RWJBarnabas Health. We are New Jersey's largest integrated health care delivery system with acute care hospitals, a Behavioral Health Center, and ambulatory care facilities. CBMC has worked to provide compassionate care, healthcare excellence, and superior service to all of our patients and families.

CBMC is a 597-bed non-profit teaching hospital which is affiliated with Rutgers New Jersey Medical School. CBMC is nationally recognized for excellent care in the following divisions: Burn Center, Renal and Pancreas Transplant Division, the Heart and Cardiac Surgery, comprehensive Pediatric and Neonatal services, Sleep Center, Cancer Center, and Stroke Center.

SERVICES PROVIDED

Pharmacy services at CBMC play an essential role in patient care, exceeding standards of care for both treatment and prevention of diseases. We strive to implement the most progressive and state-of-the-art pharmacy systems. Clinical specialty pharmacy services at CBMC include cardiology, critical care, diabetes, emergency medicine, geriatrics, infectious disease, internal medicine, pediatrics, perioperative services, and renal transplant. Educational programs incorporate the training of pharmacy students on experiential rotations and pharmacy residents through the ASHP Accredited Residency Program. CBMC is an academic teaching and clinical practice site for Rutgers University, Ernest Mario School of Pharmacy.
