

We've Made Changes

We Have A New Registration System

Please Read Carefully Before Registering for a CE program

BEFORE you register, please be aware that you will be required to bring your personal smartphone, tablet or laptop in order to take the mandatory pre-test and post-test for your CE program, as well as the evaluation. The pre-test and post-test will only be available during the length of the CE Program. The evaluation portion will be available for two weeks after the CE Program ends.

If you do not take the pre-test and post-test during the CE Program, you **WILL NOT** receive credit. The Evaluation **MUST** be completed within the two-week period or you **WILL NOT** receive credit.

We Have A New Registration System:

<https://rutgers.cloud-cme.com/>

*****When logging in for the first time, you must create a new profile as the information from our prior registration system is no longer valid. ALWAYS INCLUDE YOUR NABP# AND BIRTH MONTH AND DAY IN DESIGNATED FIELDS OF YOUR NEW PROFILE.***

If you are a Rutgers University employee, log in using your Rutgers NetID and password.

All others, log in with your email address and create a new account:

Username: {your email address}

Password: Password reset for new and returning outside users

Note: passwords are case sensitive.

Once you have signed in, $\frac{3}{4}$ down the first page are 6 tiles entitled as follows:

- Medicine
- Nursing
- Pharmacy
- Behavioral Health
- Collaborative & Team-Based
- Regularly Scheduled Series

For our CE programs, please opt for the 'Pharmacy' tile. Once in, you will see a listing of open and offered programs by which you can register by clicking the red 'Register' button.
